

Business English 30+

Master English language skills for the global workplace

Looking to develop Business English skills? We developed our Business English 30+ course—English for work, for adults like you who already have Upper Intermediate to Advanced English proficiency, and want to gain a professional advantage in the international business world. You will be studying at our EC London 30+ school, created exclusively for adults aged 30 and over, alongside like-minded professionals from all over the world. Immerse yourself in all that London has to offer as you develop fluency in the global language of business.

Reasons to take our Business Mini Group course

- You already have a high level of English and want to focus on Business English.
- You are interested in business related topics (e.g., Marketing / Human Resources).
- You want to embark on a career in an international environment.
- You are required to have English language skills in your current job.

What can you expect on this course?

Professional focus

Designed for professionals aged 30 and over who have high English language proficiency but want English fluency in the workplace, our Business English 30+ course will help you achieve your goal. You will develop high-level language skills for areas like marketing communications, crisis management, team building, finance, international business, business ethics and CSR.

Exceptional instructors

All our Business English 30+ instructors are experienced in the field of business English and can tailor lessons for business professionals to high-level business situations like handling negotiations, giving complex presentations and other workplace needs.

Unparalleled support

Every step of the way, your instructors will be there to guide you, provide constant feedback and help you track your progress. With our full support, and the support of like-minded classmates who share your goals, you will acquire the business English fluency you need to advance your career.

Immersive learning

Being immersed in an English-speaking city like London will naturally improve your English—while you build a global network. EC English provides a full programme of activities in London designed just for students aged 30+, so you will have lots of opportunities to practise your English in everyday situations.

Improved Business English

By the end of your time in this course, you will have improved your business English fluency and will have the language, knowledge and skills to confidently deal with a variety of business issues and situations. You will also be able to network with like-minded professionals from all over the world. These new skills and connections will give you a distinct advantage as you continue to build your career.

Guaranteed progress

If you follow your programme, we guarantee that you will improve your business English fluency. Our research-based courses, personalised learning methods and regular progress assessments will provide you with everything you need to achieve your goals.
