International certification

Our award-winning schools have received top accreditations and provide exam preparations that are globally recognised by universities, colleges, and employers worldwide. These include Cambridge Exams, IELTS, TOEFL, and TOEIC tests (exam offerings vary by centre and require a minimum language level).

Special Focus classes

As part of your personalised learning programme, you can take Special Focus classes to focus on a particular area of need, such as grammar or exam skills (Special Focus classes are available on 24, 26 and 30 lessons per week courses). You can also take free language workshops, attend lectures and join conversation and pronunciation clinics for more ways to practise your English skills.

Cultural and social activities

We organise tons of fun cultural and social activities for you that take you to some of the most lively and exciting spots in your host city. From city tours to sports events and concerts to culinary adventures with your classmates, you'll have lots of opportunities to use your English in real-life situations.
