

# Manchester Homestay

## Immerse yourself in local culture and hospitality with a selected host family.

Staying with hosts in Manchester is a popular choice for a relaxed and fun language-learning experience in England. Living with your hosts, practicing English at home, and immersing yourself in the local culture is an effective way to learn. Your hosts provide a welcoming environment and support your learning, offering an authentic window into their culture. Due to their popularity, especially in the summer, we recommend booking your Manchester homestay early to secure your place.

## Meal Description

A variety of food is provided. Homestay providers may adjust the type of food offered when taking into consideration religious beliefs. It is important to mention this at the time of your booking. Vegetarians, or people with food allergies should specify their eating options upon booking so this can be shared with their host prior to arrival.

## Breakfast

Breakfast varies from one homestay to another. It is usually self-service and includes bread, coffee and cereal. Hosts are encouraged to offer students whatever is typical for their home. Students will eat whatever the hosts eat, and we encourage them to set the table or clear up after dinner.

## Dinner

Dinners are usually quite early in Britain, but hosts will inform the student of the time when they eat. It is important that the student informs the host beforehand should they be late or are not having dinner.

Our homestays are typically 30 minutes to 60 minutes from school. Students use public transport or walk to school. Times are approximate.

### Host Family Locations

Homestays are in different areas of the city.
