Laundry

The host family provides bed linen and towels. The family will be happy to launder the sheets and towels once a week. You are responsible for doing your own personal laundry. Students must purchase their own laundry detergent. It is very common for families to have a designated laundry day.

Room Options

You can choose between a single or twin room. Each room is furnished with a bed, desk, and closet. Rooms and living areas must be kept neat and tidy. You will also have access to a shared bathroom. Private bathrooms are also an option, upon request and availability.

WiFi

Internet access is available upon request, and telephone access is dependent on the host family.

Meal Description

Host families make an effort to adjust the type of food offered to the students' tastes and consider religious beliefs when preparing meals. Vegetarians or people with food allergies should specify their dietary restrictions upon booking so this can be shared with families prior to arrival.

Breakfast and dinner are provided daily by the homestay host, who will be happy to prepare both meals. The host will provide room in the fridge and pantry to store any food that students may purchase.

Breakfast

Breakfast varies from family to family. It is typical for Canadians to have a quick, on-the-go breakfast such as toast and coffee. Hosts are encouraged to offer students whatever the family typically eats. Students will eat whatever the family eats and help set the table or clear up after dinner. Students are encouraged to participate in family activities or outings.

Dinner

Dinner time is usually around 6 to 7 pm, but families will inform the students of the time when they eat. Not all families will sit down and have dinner together every night. The student must inform the host family beforehand should they be late or not having dinner. If a student misses dinner, they cannot take it for lunch the next day, since lunch is not included in the homestay programme.
