Focusing on exam strategies as well as general English language skills, we'll show you what to expect from all the exam sections. Our highly-trained teachers will ensure that you feel confident and fully prepared for the exam.

What you can expect on this course

Studying abroad while preparing for the IELTS exam helps you build confidence, practice daily English, and achieve the scores you need for university entry.

Expert IELTS instructors

At EC, all of the teachers offering IELTS exam preparation are experts in the exam itself. They know exactly what the IELTS exam demands of students and will provide you with the information you need, as well as the confidence in your own ability to use English. Our teachers are trained and experienced in getting you to approach the exams strategically. They will teach you how to take the exam using a solid methodology that will bring you closer to your goals.

Exam strategies

They say that practice makes perfect, and at EC you'll find out just how true that is. We use past exam papers on the IELTS exam preparation course, so you'll know exactly what to expect when the time comes. We'll go step-by-step through each section of the exam, and show you how to answer questions.
