

Mini Group

Learn English faster in small class sizes

Want to learn English as quickly as possible? We developed our Mini Group course for students like you, who are interested in English for small groups, where you can accelerate results. Our Mini Group class sizes are small (6 students or less), and they are offered at all language levels, enabling teachers to tailor lessons to your needs while giving you maximum personal attention and guidance. Whether you are looking to improve your English for school, work or travel, you will benefit from a Mini Group class.

What can you expect on this course?

Your programme to mastering new skills and achieving fluency including

Faster progress

Smaller classes help you learn English faster in many ways: You experience a higher level of participation, you can easily tailor topics to your needs, you have more opportunities to practise speaking and writing, and you get more personal attention and feedback from your instructors.

Improved confidence

In a smaller class you will enjoy a more relaxed atmosphere and stronger relationships within your class. Your confidence will grow as you feel safe and secure, with more opportunities to interact with your classmates and your teacher

More individual attention

Studying in a more intimate class of just 6 students creates a stronger class dynamic and allows you to spend more time in direct contact with your teacher. Your specific needs will be identified, monitored and met by your teacher, allowing for more personal encouragement, feedback and help.
