Requirements:

Before starting the internship programme, you must take an English course with EC Cape Town for a minimum of 2. To progress to your internship, you must have reached at least an upper intermediate level of English.

Placement Process:

Upon deciding to participate in the internship programme, you must supply us with:

- An application form,
- CV
- Letter of motivation,
- [Completed internship questionnaire](#)
- [Signed Statement of Understanding](#)

The complete application needs to be returned one month prior to the course commencement and will be used to locate an internship opportunity. It will take a minimum of six to eight weeks to secure a placement in line with your requirements.

Note:

The confirmation of the internship is subject to an interview which will be held upon arrival at EC Cape Town. Only once the interview is held, can EC then confirm the internship. Your personal placement will be determined by our applications staff in accordance with the information provided to us in your internship questionnaire and CV.

It is possible that the final placement will not be one of the example sites listed in this document, but rather will be carefully selected from our extensive database of companies to better fit exact internship goals.
