strengths and helping with your challenges. With our full support, and the support of like-minded classmates, you'll face your TOEIC exam with total confidence.

### **Improved English skills**

While focusing on TOEIC exam preparation, you'll be improving your overall English language skills. These include reading, writing, speaking and listening. You'll also find that you are developing your skills in skim reading for meaning, scanning for detail, paraphrasing, making inferences, and more.

### **Immersive learning**

Being immersed in an English-speaking country will naturally improve your English. So, regardless of which EC destination you choose, you will be speaking English inside and outside of your classroom. EC English provides a full programme of fun cultural and social activities for you in your host city, so you'll have lots of opportunities to practise your English in everyday situations and improve fluency.

### **Guaranteed progress**

In this special training course, our goal is to help you improve your exam result. Since it began, thousands of students have taken this course with us at EC English, and over 97% of them were able to increase their score. Our research-based course, exceptional instructors, personalised learning methods and regular progress assessments will provide you with everything you need to feel fully prepared to take the TOEIC on exam day.
