

# Erasmus+ English & Digital Skills course

## Take the teachers' digital skills course you need while improving your English

In today's classrooms, as in all modern workplaces, strong digital skills are essential—for teaching as well as learning. Take advantage of our Erasmus+ English and Digital Skills teacher training course at our Malta 30+ school to make sure your teacher digital skills are up to date. This course provides a blend of General English lessons and digital skill development to help you communicate effectively using digital technologies and platforms to help you and your students succeed in the global community.

### Build your digital skills on the beautiful island of Malta

Immerse yourself in a new cultural experience at EC Malta 30+ and meet new colleagues from all over the world.

Let us guide you toward your goals while ensuring an unforgettable study experience that will stay with you for a lifetime. Your journey with EC School is more than just education—it's a path to a brighter future, filled with opportunities and growth.

### What you can expect on this course

#### Improve Skills

On your Erasmus+ English and Digital Skills course, you'll learn how to effectively use 21<sup>st</sup> century technologies in your classrooms and incorporate them into your lessons.
