

# Dublin Homestay

## Immerse yourself in local culture and hospitality with a selected host family.

Our Dublin community gives you the chance to live with a local and fully experience the city's culture and atmosphere. We offer rooms for both short and long-term stays, providing excellent value for money, so you can spend more time enjoying everything Dublin has to offer.

Generally located outside the city centre, homestays offer a number of options, including single or shared rooms, half or full board, ensuite or shared bathrooms, and providers who will cater to specific dietary requests, etc.

### Your Accommodation

An integral part of students studying abroad is immersion in the local culture, and one of the best ways to do this is by staying in our Homestay accommodation.

All our Homestay providers are either Irish or native English speakers, which will benefit you as you can practise your English outside the classroom. Our homestay providers have all been inspected and vetted. We also know them, and we believe they will provide you with a typical Irish experience to help you feel right at home from the start.

### Housing

A homestay in Dublin may consist of an adult couple with or without children or a single adult. The most important factor is the 'homely atmosphere'. Up to three other students may also be in the homestay, but they will speak a different native language than yours unless specifically requested otherwise.
