Improve your Business English for meetings, presentations, negotiations and international communication

Looking for a Business English course in London? Our Business English 25+ course is designed for experienced professionals aged 25 and over who already have an Upper-Intermediate or Advanced level of English.
You'll develop the English skills you need for the international workplace, with a focus on professional communication, including meetings, presentations, negotiations, networking and business discussions.
You'll study at EC London 30+, alongside other international professionals, and have opportunities to practise English both in and outside the classroom.

Who is the Business English course for?

- You already have an Upper-Intermediate or Advanced level of English and want to focus specifically on Business English.
- You are interested in business related topics (e.g., Marketing / Human Resources).
- You want to work in an international environment where English is used every day.
- You are required to have English language skills in your current job.

What can you expect on our Business English course?

Business English for professionals

Designed for professionals aged 25 and over who have high English language proficiency but want English fluency in the workplace, our Business English 25+ course will help you achieve your goal. You will practise Business English in professional contexts including marketing, finance, crisis management, team building, international business, business ethics and CSR.

Get personalised attention in your class

Business English offer opportunities to speak and receive personalised feedback.

EC London 30+ Exclusive

Upper-Intermediate level

Qualified teachers

All our Business English 25+ instructors are experienced in the field of business English and can tailor lessons for business professionals to high-level business situations. Practise real workplace skills such as negotiating, giving presentations, managing discussions and communicating in professional situations.

Personalised support and feedback

Every step of the way, your instructors will be there to guide you, provide ongoing feedback and help you track your progress. You will receive regular feedback and personalised support to help you improve your Business English for your professional goals.

Immersive learning

Being immersed in an English-speaking city like London will naturally improve your English while you build a global network. EC English provides a full programme of activities in London designed just for students aged 25+, so you will have lots of opportunities to practise your English in everyday situations.

Improved Business English

By the end of the course, you will have developed greater confidence and accuracy in professional English, including communicating about business issues, working with international colleagues and networking. You will also be able to network with like-minded professionals from all over the world. These new skills and connections will give you a distinct advantage as you continue to build your career.

Guaranteed progress

If you follow your programme, we guarantee that you will improve your business English fluency. Our research-based courses, personalised learning methods and regular progress assessments will provide you with everything you need to achieve your goals.
