

Business English Mini Group

English for work, for small groups of ambitious, 30+ professionals

Want to master Business English to succeed in the global workplace? We developed our Business English Mini Group course for adults like you: English for work for small groups of ambitious professionals who already have Upper Intermediate to Advanced English proficiency, and who want to pursue international careers. Studying with a class of 6 like-minded professionals aged 25+, you will accelerate your progress with tailored lessons and maximum personal attention as you become fluent in the global language of business.

What can you expect on this course?

Your programme to mastering new skills and achieving fluency including

Faster progress in a smaller class

Smaller classes help accelerate your progress in many ways: You experience a higher level of participation, you can easily tailor topics to your real-world needs, you have more opportunities to practice speaking and writing, and you get more personal attention and feedback from your instructors.

Professional focus

Designed for professionals aged 25 and over who have high English language proficiency but want English fluency in the workplace, our Business English Mini Group will help you achieve your goal. You will develop language skills to handle high-level business situations.

Exceptional instructors

All our Business English Mini Group instructors are experienced in teaching business English and can tailor lessons for business professionals to high-level business situations like handling negotiations, giving complex presentations and other workplace needs.

Unparalleled support

Every step of the way, your instructors will be there to guide you, provide constant feedback and help you track your progress. With our full support, and the support of like-minded classmates who share your goals, you will acquire the business English skills you need to advance your career.

Immersive learning

Being immersed in an English-speaking city like Malta will naturally improve your English—while you build a global network. EC English provides a full programme of activities in Malta designed just for students aged 30+, so you will have lots of opportunities to practise your English in everyday situations.

Guaranteed progress

If you follow your programme, we guarantee that you will improve your English fluency. Our researched-based courses, personalised learning methods and regular progress assessments will provide you with everything you need to learn with confidence and achieve your goals.

Reasons to take our Business Mini Group course

- You are a 30+ professional and want to learn with like-minded students.
- You already have high English proficiency—but want to focus on Business English.
- You want to embark on a career in an international environment.
- You are changing careers and want to boost your CV.
