

# One-to-one

## Maximise your progress through private lessons

Want to get the most out of your English language programme? Add One-to-One sessions to any EC course. In this one-to-one English course, you'll get your teacher's undivided attention and the ability to tailor your programme to your needs, goals and learning style. Focus on language skills that need improvement, language for work or the vocabulary needed for a trip—and accelerate your progress. These 45-minute sessions are offered at all our EC schools, for every English language level.

### Take your English to the next level

#### Unlock new opportunities for confidence and fluency

Immerse yourself in a new culture while you pursue your language goals, in group classes and one-to-one.

### What you can expect on this course

#### Individual focus

In your one-to-one sessions, you'll receive your teacher's undivided attention: No distractions. What's more, every lesson will be designed to fit your unique needs, language level and will be 100% focused on your requirements. This level of individual attention, constant feedback and encouragement will help you accelerate your language learning.

#### Tailored programme

Choose the topics you want to focus on and work with your teacher to tailor your personalised plan. You may want to dig in to grammar and vocabulary, learn English needed for a trip you're planning—or both. These personalised sessions offer you the flexibility you need.

#### Exceptional instructors

At EC, all our one-to-one instructors are empathetic teachers who are experts in their fields and able to tailor lessons to suit your individual needs. Whether you seek one-to-one sessions to enhance school, work or travel experiences, your teachers can set you up for success.

## Reasons to add a one-to-one English course

- You want to improve your language level significantly in a short space of time
- You want to benefit from uninterrupted teacher attention
- You want to combine the interaction of a group course with the individual attention of private lessons

### Experience real outcomes

At EC, we are committed to ensuring optimal outcomes for our students. That's why, for 30 years, we have made research and measurement the cornerstones of our curriculum development, teaching methods and review process. This approach enables us to scientifically design a language learning experience for you, based on your unique needs and goals, that will reliably deliver optimal results.

### **Programme balance**

Take advantage of the interaction found on a group course and the personal attention of One-to-One classes. Combine One-to-One lessons with a group course for a well-balanced approach to achieving your English goals.

### **Nurturing environment**

One-to-one sessions provide an opportunity to relax and learn in a classroom environment without the pressure of having to talk in front of classmates. This is a great way to become more confident in the classroom. With your teacher's support, you'll acquire the English skills and the confidence you need.

### **Guaranteed progress**

Commitment to one-to-one sessions produces results. In addition to helping you improve your English skills quickly, these sessions will help you sharpen your focus, improve your classroom participation skills and boost your confidence.

## **One-To-One at EC English**

### **Learn faster with private lessons: Take our one-to-one English course**

There are many benefits to taking one-to-one English sessions while you're on one of our English language programmes. First and foremost, you're likely to learn the language faster, because you'll be receiving undivided attention of your instructor, who can tailor lessons to your needs, goals and learning style. With extra speaking and writing practice as well as more targeted feedback, you'll develop confidence in your skills, which will help you across your language programme.

### **Work alongside likeminded classmates**

Wherever you choose to learn English with EC, you'll be studying in a school alongside like-minded classmates from all over the world who are in your age group and share your passions and goals.

For example, if you are age 16+, you'll study with others looking to improve their English for school, work or travel. If you are in a 30+ school, you'll study with other ambitious professionals who share your career goals. You can balance the benefits of group class interaction with those of one-to-one English classes to get the most out of your programme.

### **Add Special Focus classes to give your one-to-one sessions an extra boost**

While you're learning English and taking your one-to-one English course, consider taking one of our Special Focus classes to enhance your programme even further. EC offers many Special Focus classes and clinics that can help you improve your vocabulary, grammar and pronunciation, enhance your conversational skills, use new technologies to improve your written English and advance your career. Special Focus lessons are available on group courses of more than 20 lessons per week.

### **Study in one of the world's most spectacular destinations**

No matter where you take your One-to-One English course with EC, you'll be improving your English skills in one of the most thrilling English-speaking cities in the world—from New York to London, Vancouver to Cape Town. At each school, you'll enjoy an activities programme, tailored to your age group and goals, that will immerse you in all your host city has to offer.

### **Benefit from exceptional instructors**

All our One-to-One English course instructors are experts in their fields, and are able to tailor your lessons to your needs and skill level. Every step of the way, our teachers will provide guidance, support, feedback and assessments to ensure that you are always

getting the most out of your course and are on track to meet your unique goals.

### **Count on a supportive school community**

At EC, we know that when you choose One-to-One English courses, a supportive learning environment is key to your success. So you can rest assured that all our one-to-one instructors will provide encouragement and motivation as you improve your skills. At every EC school, you can also count on the support of a nurturing community that is deeply committed to inclusivity and diversity. You'll always feel like you belong here, and that your unique voice is part of the global conversation.
