## Useful Information

### Climate

Cambridge enjoys a temperate maritime climate, which means mild temperatures throughout the year. Summers are usually warm, while winters are cool but rarely extreme. Rain is spread throughout the year, so it's a good idea to carry an umbrella or raincoat with you.

### Money

The currency used in Cambridge, like the rest of the UK, is the British Pound Sterling (£). You can change money and traveller's cheques at the post office in the city centre. There are several banks on the same street (HSBC, NatWest and RBS) where you can withdraw money from the atm (cashpoint) machines.

### Telephone Country Code

The telephone country code for the UK is +44.

### Electricity

230 V; 50Hz – 3-pin plug.

### Tap water

Tap water in Cambridge, as in most of the UK, is safe to drink unless there's a sign to the contrary (e.g. on trains). The water supply is carefully regulated, ensuring high-quality drinking water.
